[Health and Social Wellbeing Improvement](#)

In recognition that mental ill health is one of the greatest challenges facing both society and services, the Department of Health published the **Mental Health Strategy**, 2021-2031, in June 2021.

The Strategy sets out 35 actions under three overarching themes:

Theme 1 - promoting mental wellbeing, resilience and good mental health across society;

Theme 2 – providing the right support at the right time; and
